Texada Rock n'Rowers	2:14.95	2:22.29	2:17.36	

Final Seeding is based on Combined Results of Races 1&2. That some teams had a faster time than one of the medal winners in their last race is irrelevant. RtR prefers seeding for Finals to adding 3 race times.

1) It is fairer: changes in tide or wind don't skew Results. 2) All the Final Races are exciting to watch. /nh
